Subject: West Data Summary Reports 04/27/2013 and 04/28/2013

Attached are the West Summary Reports for 04/27/2013 and 04/28/2013 with the Monitoring Location Maps.

Reports for tomorrow will include wind roses. I will also replace the Monitoring Location Map with a Viper Mobile Run map in reports with mobile data (so any Location B from 04/23/2013 and earlier).

which may be a computer program. This attached computer program could
contain a computer virus which could cause harm to EPA's computers,
network, and data. The attachment has been deleted.

This was done to limit the distribution of computer viruses introduced
into the EPA network. EPA is deleting all computer program attachments

sent from the Internet into the agency via Email.

If the message sender is known and the attachment was legitimate, you should contact the sender and request that they rename the file name extension and resend the Email with the renamed attachment. After receiving the revised Email, containing the renamed attachment, you can rename the file extension to its correct name.

For further information, please contact the EPA Call Center at (866) 411-4EPA (4372). The TDD number is (866) 489-4900.
